NO TIME FOR QUARREL NOW SAYS M. BRIAND

(By Associated Press.) LONDON, Nov. 25.—Marquis Curzon of Kedleston, British secretary of state for foreign affairs, speaking yesterday at a luncheon, declared that if France pursued the isolated individual policy of her own, she would not in the long run injure Germany, and she would fail to protect herself.

NEW YORK, Nov. 25.—Disclaiming any wish to reply to the address in London yesterday of Lord Curzon, urging France not to pursue an "isolated and individualistic" policy, Premier Briand of France declared before sailing for home today that this was no time for argument between "friends and allies," will ask permission of the allied council of ambassadors, through the medium of the Portuguese government, to make the journey.

MEN LAID OFF AS BUTTE CLOSES MINES

According to a private letter received in this city yesterday from Butte, Montana, the employment situation does not improve in that city and it was stated that about 1000 men had been laid off the past week. This was due to the fact that the Colorado and Pittsmead mines had closed down.

NATIONAL COURTS TO BE ABOLISHED

(By Associated Press.) WASHINGTON, D. C., Nov. 25.—Abolition of extra-territorial rights in China by which various powers maintain their own courts for trial of their own nationals, was agreed to in principle by the powers represented in the Washington conference. Belief was generally expressed, however, that rights could not be given up immediately in view of conditions in China, but that abolition should come as quickly as compatible with the present situation and progress of China.

EUREKA-PRAIRIE TO HAVE NEW MILL

Hugh Leonard, general manager of the Eureka-Prairie Mining company, owner of a group of nine mining claims on Adams Hill, returned on Wednesday from London, England, where he went three months ago regarding the financing of the company. He reports that his trip was successful and believes that arrangements have been completed for the erection of a cyanide mill on the property, and for sufficient funds to complete the development work planned on the mines. Mr. Leonard says he now plans to carry on development work with a small force during the winter months and to commence the erection of the new mill when spring opens.—Eureka Sentinel.

AMUSEMENTS

"THE SILVER LINING" AT BUTLER THEATRE TODAY

An unusual story presented in an unusual manner is that portrayed in "The Silver Lining," a Metro release, starring Jewel Carmen, supported by a notable cast of Broadway favorites.

Every incident shown in this enthralling picture, which comes to the Butler theatre today, is founded upon actual life, and Roland West, who wrote and directed it, was a personal witness of many of the incidents portrayed.

In "The Silver Lining," the lovely adventures is portrayed by Jewel Carmen, known to thousands of pleasuregoers through her appearances with Douglas Fairbanks, William Farnum and in many other pictures in which she starred.

Playing the part of the young author, the original of which is famous for his literary contributions, is Leslie Austin, at present leading man with Madge Kennedy in "Cornered." Previous to his appearing in this show Mr. Austin had the leading male role with Ethel Barrymore in her successful stage play, "Declasse." Others in this stellar cast are Julia Swanson, Gordon, Virginia Valli, Martha James, Theodore Babcock, Marie Coverdale, Arthur Donaldson and Paul Reardon. Carl Hyson and Dorothy Dickson are also shown in "The Dances" which have made them internationally famous.

Tomorrow, Jack Hoxie in "Cyclone Blues," and a two-reel comedy, "Short and Snappy."
